**Interdisciplinary
Leadership Training
2009-2010 Series**

Boling Center for
Developmental
Disabilities

Purpose

This interdisciplinary leadership training program presents topics addressing medial and quality of life issues for children with special health care needs cross the life span for and adults with neuro-developmental and related disabilities. Sessions focus on current and future directions in family-centered prevention and intervention approaches for diverse populations and address collaboration at local, state, and national levels.

Boling Center LEND trainees are required attend all sessions. Healthcare professionals, direct support staff, family members, and persons who share an interest in learning more about intellectual disabilities/developmental disabilities and children with special health care needs are invited to attend.

Availability on the Web

ILT sessions for the Fall will be available through web conferencing for up to 20 sites at one time. Sites interested must register at least ten days in advance of any session to allow for testing and technical assistance. Webcasting is reserved for site participation only and will not be available to individual users at this time. Sites will be defined as a host location that can accommodate a minimum of five participants.

Eligible sites will need a high speed internet connection, speaker phone, and an LCD projector. If participant sites have a web camera attached to the computer, this item can be tested prior to the conference. A web camera is not required. For more information on technology and applications, contact the BCDD training department at 901-448-3127.

Goals of ILT Series

1. Demonstrate and promote leadership in developing and providing community-based quality supports for individuals with disabilities and their families.
2. Initiate and support local, state, and national networking and collaboration regarding issues for individuals with developmental disabilities, particularly for children with special health care needs and their families.
3. Develop interdisciplinary approaches to prevention, intervention, and supports across the life span.

Location

All sessions will be held in room 613 at 711 Jefferson Avenue. Contact the Training Office for information regarding remote sites. Remote site availability is dependent upon level of interest.

In Memphis, parking is available as part of the registration fee in the J-Lot located on Court Street . You must be pre-registered to guarantee parking.

Special Needs

If you have the need for special accommodations please contact the Training Office: 901-448-2660 or TDD 901-448-4677 ljones41@utmem.edu at least seven days prior to the session. All training rooms are wheelchair accessible.

Refunds

Refunds will not be given for no-shows. Choice may be made to attend another session during the same academic year.
