Subspecialty Care

Call to make an appointment with the specialist checked below.

Before you take your child to the specialist, we must get authorization for the visit. This authorization can take up to 10 days to obtain. Please make sure your appointment is no sooner than 10 days from now, so you can be sure the authorization is ready. We will send you a copy of the authorization. Please call the specialist ahead of time to be sure your authorization is there. **If you arrive before your authorization does, you will be asked to reschedule.**
